Annual Report 2006/07

Letter from IDRF's President Dr. Vinod Prakash

November 2007

Dear IDRF Donor/Supporter,

On behalf of thousands of beneficiaries in India – deprived of basic human needs, we express our deepest thanks for your generosity and support to IDRF. It is your continued trust in IDRF that has enabled our partners – grassroots, non-governmental organizations (NGOs) – to make a significant contribution towards *sustainable socioeconomic development of economically-weak and/or socially-backward people in India*, besides the rehabilitation of the victims of the floods, Tsunami disaster or the Gujarat earthquake.

Specifically, we would like to *thank you for your magnanimous contribution of almost one million dollars* towards the self-empowerment and mainstreaming of the needy/poor/disabled/underprivileged people in India. As detailed on the back page, *IDRF's grants to all the NGOs amounted to \$1.8 million*. Please, turn over and see the names and locations of top 34 NGOs along with the purpose(s) for which your dollars were sent (and used). These details cover 93-94% of the total grant amount; and in most instances, we have received progress reports and independent auditors have received verification of funds.

IDRF continues to make significant contributions towards its central, long-term objective of sustainable economic/social development, so that India can soon be respected as a developed country in the community of nations – *as repeatedly emphasized by India's Hon. former President Dr. A. B. J. Abdul Kalam*. Our annual grants for development amounted to \$1.33 million.

Once again, we express our gratitude to you, as well as to our partner NGOs in India, for IDRF's continued success and remarkable accomplishments with the active involvement of the following (and many other) volunteers and friends.
