Newsletter: November 2019

Dear Frends,

Happy Thanksgiving! In warm appreciation of your compassion and commitment to help the underprivileged during the past year, I extend my very best wishes for a Happy Holiday Season. I am also excited to share with you some updates on our various development projects that have been made possible through your generosity.

In this Newsletter:

- SAVE THE DATE...December 3, 2019
- Livelihood and financial stability for school dropouts
- Availability of water in rain scarce areas
- Relief and Rehabilitation for flood victims

SAVE THE DATE....December 3, 2019 for #GivingTuesday

The Tuesday after thanksgiving is celebrated as #GivingTuesday and kicks off the charitable season for holidays and end-of-year-giving. On December 3rd, join the global movement and give back to the poor and needy and change their lives. Donate to IDRF on Facebook and Facebook will match upto $7 million in donations made to US non-profits on a first-come, first-served basis and no fees charged!

Livelihood for School Dropouts: Patient-Assistant Program
Maharashtra

IDRF is supporting "Patient-Assistant Courses" for making poor girls self-reliant and financially stable in the rural areas of Pune. Many girls are not encouraged to pursue education and drop out during high school. Several are married off at a young age, leaving them financially dependent and vulnerable

to dowry demands. Our partner Swa-Roopwardhinee has been running this program for 23 years. 1,164+ girls have completed the course and gotten jobs at hospitals and nursing homes and are able to provide a life of dignity for themselves and their families.

Unique Housing Solution: Many parents are reluctant to let their daughters stay in urban areas to attend training programs. So this program is brought to villages to offer safe housing for participants. Girls from tribal areas and remote interior villages are also able to attend this program as a result.

2018-19 Batch: The program at Maale village, has 36 girls enrolled for the one-year course (6 months theory + 6 months practical training). The cost per student is about $580/year (including boarding, lodging and tuition). with your compassion and generosity these young women are on the path to become self-reliant and lead a life of dignity).

Water Harvesting and Ground Water Management
Gujarat and Chhattisgarh

IDRF has partnered with Samerth to provide safe and sustainable water resources for the poor and marginalized communities in water-scarce parts of Kutch district. In the past, lack of rainfall, low agricultural productivity and insufficient water for people and cattle, forced several families to migrate out each year. But with the success of IDRF-supported Water-Security program in Nakhtarana block, all water bodies are now filled with water. The rainwater in these ponds last for 6 to 12 months and support the recharge of wells and bore wells adjacent to the ponds. Now the number of families migrating seasonally due to lack of adequate water has decreased considerably!

Construction work of Rain Roof Water Harvesting Structures was also completed at 3 schools that lacked safe drinking water. Collected rainwater will provide 200 days of drinking water facility to 218 children.

### Flood Relief and Rehabilitation Programs, Bihar

More than 8 millions people were badly affected by the Bihar floods caused by heavy monsoon rains in July 2019. With your generous help, IDRF’s partner-organization Manav Seva Sansthan was able to provide urgent help to victims in 3-blocks of Madhubani district.

#### Relief Program:

- 150 families provided Relief Kits (personal hygiene items and non-perishable food items, etc.)

#### Rehabilitation Program:

- 5 Mobile Health Camps -free medical checkups and medicines
- 75 Hand Pumps Repaired to restore water supply
- Low-depth Hand Pumps Chlorinated to provide safe drinking water
- Livelihood to 150 families by providing high-quality seeds like: wheat and potatoes, etc. to start over again
- 150 families given quilts, water filters, solar-powered emergency lights and mosquito nets
On behalf of IDRF team, I would like to thank you once again for helping us ‘put power, not charity in the hands of those in need!’ This would not have been possible without your continued support and commitment to help the underprivileged.

Warm Holiday Wishes,
Dr. Vinod Prakash
