**Educating a girl will not only give her financial independence,
but also help her lead a life of dignity and self-respect...**

With your help, IDRF is able to provide free education, lodging and boarding to underprivileged tribal girls from North-east India. The IDRF-supported dormitory is on the campus of a reputed C.B.S.E. accredited High school (Grade 12) in Hapur, Uttar Pradesh. Since 2005, 69 tribal girls from 15 batches have graduated and most of them have also pursued higher education through IDRF support. The hostel can accommodate up to 100 girls and at present there are 88 girls residing here. Your gift of education to these poor tribal girls will make them financially independent and help lead a life of dignity and self-respect!

**Your gift of Endowment Fund- a one-time donation of \$6,000 will endow:
One permanent educational seat in perpetuity,
OR
An annual donation of \$550 per girl will take care of all her annual expenses.**

This is our success story!

With the financial support of generous donors like you, **Anjana**, a poor orphan from the tribal area, grew up in IDRF Tribal Girls' Hostel and did her schooling at Shiksha Bharati's school. A meritorious student throughout, she graduated from the university and now works as a yoga instructor at a reputable institute! She is grateful to IDRF and donors like you to have changed her life!
