The **fulfillment** of such a wish requires at least two essential elements:

- 1.) Reliable and effective partner NGO in India,
- 2.) NGO must have permission to receive funds from overseas under Government of India regulation FCRA (Foreign Contribution Regulation Act). (If the NGO does not have a FCRA approval, IDRf's "Letter of Commitment" can enable it to receive FCRA on a 'Prior Permission Basis'). Please [contact us](#) for more information.

We maintain a commitment to sustainable, grassroots development, and keep our **overhead costs** (admin & fundraising) **below 5%**. This ensures that out of every \$1 you donate, at least **95 cents go to beneficiary NGOs**. We work with NGOs spanning from Jammu & Kashmir to Tamil Nadu and Arunachal to Gujarat that have established track records and are approved to receive funds from the USA. We hope you will continue your support for the ongoing projects as well as for the new projects that we will be undertaking in 2019.
