Please donate to help families devastated by the recent Kerala landslides.

Homes have been destroyed, livelihoods lost, and essential supplies are running low.

Our highly reliable and experienced NGO partner for 11 years **Manav Seva Sansthan 'SEVA'** is working efficiently and effectively in coordination with *Arshabharatha*, the local government, and *panchayats* in **providing relief to families** who have lost their homes and all their belongings:

- 1. Hygiene and Health kits - Each kit, costing \$25**, contains essential items like toothbrushes, toothpaste, sanitary napkins, soaps, bandages, chlorine tablets, medicines insect repellants, etc. to maintain health and dignity.
- 2. Shelter kits - Priced at \$95 per kit**, these supplies include tarpaulin sheets, solar lanterns, flashlights, batteries, water filters, power banks, blankets (3), shawls (3), towels, raincoats, etc. offering warmth and protection from the elements.

But we cannot do it alone. We urgently need your help to continue delivering life-saving aid to at least 200 families in desperate need. Every dollar you give goes directly to helping victims rebuild their lives.
