## FOUNDER'S MESSAGE

Dear Friend,

Across India, Nepal, and Sri Lanka, women are rising with courage, resilience, and vision. Yet far too many remain locked out of opportunity, held back by poverty, have limited access to education, and face systemic barriers to employment.

At IDRF, we believe that when a woman is empowered with knowledge and skills, she becomes a catalyst for lasting change. That's why our 2025 Annual Appeal focuses on expanding education and skill development programs for women and girls in underserved communities in India, Nepal, and Sri Lanka.

Your gift will directly support scholarships, vocational training, nutrition and health services, livelihood startups, and community solutions that protect women's dignity and expand opportunity.

With Gratitude

**Dr. Vinod Prakash**
