EDUCATION AND BRIGHT FUTURE FOR UNDERPRIVILEGED TRIBAL GIRLS

IDRF provides financial support for education and hostel accomodation to tribal girls from North-east India. The IDRF-supported hostel is on the campus of a reputed C.B.S.E. accredited school in Hapur, Uttar Pradesh (about one hour's drive from East Delhi). The hostel has about 66 girls residing here at present and can accommodate up to 100 girls. Most of the girls have pursued/are pursuing higher education with IDRF's support.

Your gift of education to these poor tribal girls will make them financially independent and help them lead a life of dignity and self-respect. Your gift of education to these poor tribal girls will make them financially independent and help them lead a life of dignity and self-respect.

There are two easy options available to help these underprivileged girls:

Your gift of Endowment Fund-a one-time donation of $10,000 can endow one permanent educational seat in perpetuity.

OR

An annual donation of $550 per girl can take care of all her living expenses.

(Includes: food, clothing, lodging, school supplies, medical expenses and utility charges, etc. The tuition, educational expenses, and counselors will be supported by our partner NGO-Shiksha Bharati.)
