

Montgomery County Council

Awards This Citation to

India Development Relief Fund

In Recognition of Its Contributions to

22nd Grab and Go Event

Through its effort to reduce food insecurity in Montgomery County's diverse community during the COVID-19 pandemic, the IDRF fosters a culture of stewardship among its members; demonstrates the strength and value that immigrants bring to our community; and embodies every day, but especially today on the 74th anniversary of India's Independence Day, the famous quote by the first Prime Minister of India, Jawaharlal Nehru, "Citizenship consists in the service of the country." The County commends the contributions of IDRF as part of the Indian American Community and appreciates all volunteers participating in support of the event.
